

From state WHS meeting 16th feb 2019

Region 1 WHS meeting 12th feb 2019

- Hoping to secure fleet manager for each region/ ongoing
- Update from Lisa Bryant re portal content/ we must encourage members to log on to check out and send feed back
- Concern of water safety from callouts re opening up of reservoirs state wide and impact on CFS/ ongoing discussions
- Issue of hydrant testing is SA waters problem/ form on portal if problems found letter to go from RVMC ASAP/
- Hirms reporting not working as it should/new flow chart being developed appears they cross some desks but not others/ongoing (INL)
- Alert for cracking of grab rails state wide
- Alerts on electric scooters discussed re lithium battery and fire potential which included houses/cars
- Working group formed to work on return to work procedure/ looking at volunteers injured away from CFS duties
- First Aid kit replacement/ audit process still being worked on hopefully by year end
