

Work Health Safety Report

Stack Stevens

10th October 2018

CFSVA Annual General Meeting

- Action item 176 P2 Masks. PIN is still in place and CFS is to report back to safe work SA mid-September. Safe work is satisfied with report and following investigation final report will be accepted
- No updated training details due to transition of data systems from TAS
- Action item 174 peer support training 19/5/18. This has been completed but personally disappointed no one from kangaroo island approached as agreed
- Action item 140 management/engagement of contractors on CFS sites 3/9/16, still work in progress
- Action item 172 loss of space on trucks due to fridges 17/2/18. Now closed and unfortunate that due to commitment of item crew space has been lost
- Action item 169 EPA policy 17/2/18. New EPA policy circulated to members and information put on portal regarding dumping of item
- Accident/Incident reports till end July 2018. Workers comp claims YTD 3 volunteer claims
- CFS engaging 26 aircraft up from 17 to be placed in 4 zones across state
- Station compressor logs must be completed
